RESTAURANTS & CAFÉES

We will ensure 1-metre distances between tables where possible.

People from the same household and groups that have been in close interaction preceding days can sit together at the same table.

If a buffet is offered, our guests must use plastic gloves when they use the utensils and dispose of the gloves when they have finished.

The buffet table will have hand sanitizers and instructions that encourage guests to sanitise their hands before serving themselves at the buffet.

Guests will have easy access to the buffet and queues are avoided.

We respect the 1-metre distance rule.

PLEASE REMEMBER TO:

- carefully read and follow the Faroese authorities' recommendations on <https://corona.fo/recommendations-and-measures? l=en>
- wash hands frequently and use a paper towel to dry
- avoid touching eyes, nose and mouth
- always keep a distance of at least one metre and avoid close contact with people who are sick
- cough or sneeze into the bend of your elbow or into a tissue, then throw it away immediately
- greet with a smile instead of a handshake or a hug 😊
